PRODUCT ADVANTAGES

01 BLDC MOTOR TECHNOLOGY

Silent, efficient, and long-lasting. Our brushless DC motor ensures smooth operation with minimal power consumption — up to 70% energy savings compared to conventional AC fans.

02 SMART & COMFORTABLE

- Adjustable 6-speed remote control
- Optional LED light module
- Reverse airflow for all-season comfort
- Compatible with smart wall controllers or home automation systems

03 PREMIUM 6-BLADE ALUMINUM DESIGN

Crafted from aerospace-grade aluminum, the 6 aerodynamic blades provide optimal airflow coverage, balancing strength with sleek, minimalist aesthetics.

04 BUILT FOR EVERY SPACE

- Perfect for:
- Living rooms & bedrooms
- Cafés & restaurants
- Offices & studios
- Semi-outdoor patios & lounges

05 Customizable blade colors to suit your interior design

Design & Finishes

A FAN THAT COMPLEMENTS YOUR SPACE

Tailor your fan to match your interior. Each color and finish brings a different mood — from minimal modernity to warm natural texture.

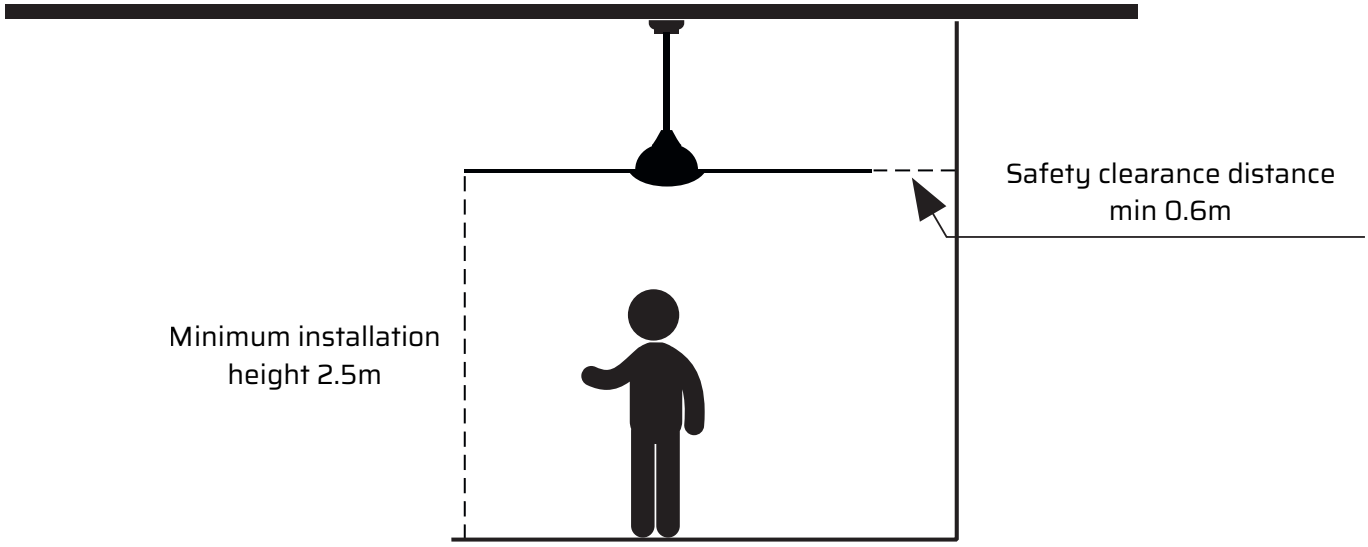

Blade Sizes:

- 60” (1.5 m) — Compact yet powerful for small rooms
- 72” (1.8 m) — Ideal for medium spaces
- 84” (2.1 m) — Expansive airflow for large or open areas
